Summer Newsletter July, 2018

Dear Family and friends,

We are happy to say that we (Lois, Shadrack and Fitz) are safely back in Kenya after three months in the US. It was a whirlwind trip and 6000 miles on the road! We were very blessed by the way we were showered with love, gifts, and giving to the ministry. For the many of you who housed and fed us, we share our great appreciation and for all the fun and fellowship. Special thanks to our president, David Doolittle, my brother, his wife Marilee and son Stephen, who put up with the three of us most of the time!

The ministry continues to expand and we request you to pray for us to have wisdom to know how to move forward and plan to do God's will. Rev. Fitz will be assisting me with communications and records, etc. It has become impossible for one person to do it alone because of the growth of the ministry. Praise the Lord! He will be assisted with his school responsibilities by the vice principal who did a wonderful job of running the schools while we were away.

We were blessed with a large donation which is about two-thirds of what we need to build a large church and headquarters on land we already own at Kisii. We need to raise another \$7000 to complete this project. Anyone wishing to donate to this project can send their gift to KEM at the usual address and designate it to the Kisii project. Any help will be greatly appreciated. Kisii has been operating for several years without a headquarters, or adequate place for the Bible classes. This would be a very great blessing to the Bible College there, and very exciting to the ministry.

We are also starting a feeding program at our IT schools for poor students who don't have money for lunch and go all day without eating. This really breaks our hearts as they go sit by the fence while the others eat. Any donation you would like to make, one time or monthly, would be greatly appreciated. We will give them bread and tea morning and at lunch.

God is so great!! Thank you all so much for blessings us with your donations and prayers.
Love, Lois, Shad and Fitz
