

**Paul: Called by God, Saved by God**

**Galatians 1:1-5**

This letter was written by the Apostle Paul to a \_\_\_\_\_ of churches in the region of Galatia.

What is an APOSTLE? How was a Christian apostle different than a regular apostle in the Roman culture?

What made Paul's apostleship unique?

When Saul encounters Jesus on the road to Damascus (Acts 9:1-9), what kinds of changes does it bring about in him?

Galatians 1:2 indicates that Paul is not acting independently. Just as Paul is writing \_\_\_\_\_ many, he also writes on \_\_\_\_\_ of many. He represents the other apostles, the other missionaries who are defending the true gospel and standing against those who introduce false doctrines.

\_\_\_\_\_ and \_\_\_\_\_ are two things that Paul desires for the churches of Galatia, but how does the false gospel that he is confronting in this letter threaten to keep the Galatians from these two blessings?
